NEED SOME RELIEF?

Recover Your Losses

Let Us Buy Your Debt

At Finance System, Inc., we specialize in debt purchasing from companies who need to sell that debt in order to retrieve as much of their capital as possible. Fully committed, we put forth our knowledge and experience to provide a professional, comprehensive approach to resolving all aspects of the debt purchase.

It Makes Good Business Sense

Debt can be frustrating, burdensome and most of all, place a negative impact on your bottom line. The good news is that even with looming debt that you have written off as having no value, you can still recover from those losses by letting us purchase your debt.

We have the reputation and proven results you can count on when it comes to purchasing many different types of debt, such as medical, utility, education, etc. Working with you in an efficient and timely manner, we provide flexible and customized solutions that turn bad debt into immediate cash for your business.

Isn't it time to unlock the value in your distressed receivables?

As your trusted partner, let Finance System take on the challenges you face with looming debt. Call us today at **877.962.7507** or get started on our website at **fscollect.com**.

The advantages of selling to Finance System are:

- Individual "Stopwork" Protocols
- No Resale of Accounts
- Provider Buy-Back Rights
- Call Recordings
- A customized program designed specifically for your needs
- A consistent rate of return on your investment
- The highest level of professionalism, dedication to compliance and customer service
- Years of experience in the debt industry
- Immediate capital for your business
- Saves you the possibility of having to restructure or liquidate, giving you peace of mind
